One Page Project Summary

This program is it's 9th year of operation with the Friend's of Santa Fe Dam Support group and the San Gabriel Mountains Regional Conservancy. It is designed to introduce the recreational sport of fishing to kids who have never fished before. It also brings families together for a fun and safe event that they will remember for years to come.

Background on Applicant:

Purpose and goals: Designed to bring the sport of fishing to kids in the local area as well as providing a fun and safe recreational opportunity to have families enjoy themselves.

Brief summary of current activities: Opportunity to fish overnight in a safe environment as well as camping.

Geographic area served: Geographic area served is the San Gabriel Valley with roughly 2 million people.

Grant Application  
Page 4

Major sources and dollar amounts of corporate, foundation and government support during current and past fiscal year: Monetary funding is minimal but the volunteer hours from the support group is roughly 600+ hours a year which equates to roughly \$9000 a year.

History of all grants received from the Los Angeles County Fish and Game Commission: This program has received two grants from the Commission.

Project Information

Statement of justification of need:

Department of Fish and Wildlife stock the lake with fish but with recent curtailments, the stocking have become infrequent. This planting will benefit the increased chances of kids catching fish.

Statement of purpose and goals:

To provide a safe and fun environment for kids and families to fish and camp in a safe facility.

Action plan to meet objectives:

Grant Application  
Page 6

Statement of how the objectives advance the propagation and protection of fish and wildlife:      This program teaches kids on catch and release for the fish as well as educating the kids on proper techniques of fishing close to their homes.

Project budget and timetable:

Sources of other support for project:

Current status of project: Project is current and ready to start in May 2014.

Cash flow analysis of the expenditure of project funds:

Proposed method of evaluating results: A end use survey can be handed out to the patrons with questions about the program.
